Re: Ex Parte in CC Docket Nos: 00-256, 96-45, 98-77, and 98-166

Dear Ms. Dortch:

On September 17, 2003, David Bartlett of ALLTEL Communications, Inc. and Robert DeBroux of TDS Telecommunications Corporation (collectively referred to as the "Company Representatives"), met with Christopher Libertelli, Senior Legal Advisor to Chairman Powell, and Daniel Gonzalez, Senior Legal Advisor to Commissioner Martin, to discuss their Rate-of-Return Company Tariff Option proposal.

The Company Representatives have met previously with Commission Staff and other parties to discuss their collective efforts with respect to the development of an alternative regulatory structure contemplated by the MAG *Further Notice of Proposed Rulemaking*.² These discussions were a reiteration of how the proposal would function and the benefits it would produce. These positions have previously been placed in the record in this proceeding.

The Company Representatives also emphasized that the concept of their proposal has already been discussed in the record in the context of the *Further Notice*. Therefore, no impediments exist to adopting the changes proposed in the Rate-of-Return Company Tariff Option in the further MAG order. The attached documents were provided and referred to in the course of the discussions.

Respectfully submitted,

Sylvia Lesse
